TESTIMONY

(Debbie was suffering from chronic fear and anxiety, as well as the medically attested fact of being unable to have children. She testifies to the Lord's remarkable healing of the whole person.)

Dear Raphael,

I want to express my heartfelt appreciation for the healing prayers that have been offered on my behalf at Faith Center and for the guidance that I have received from you as well. My health took a rapid turn for the better, so much so that my friends have even noticed and remarked of it to me.

I felt the Spirit move within me from the very first prayer and will be forever grateful for your kindness and willingness to help. I pray that you will be able to continue your work because you provide a very valuable service.

In His Name,

Debbie W.
Decatur, GA

O! again, thank you Jesus. I learnt that the boy whose name I sent to you for prayers, who has been having epileptic fits for some years, now is improving and has had no fits since last December. Also, with the help of your faithful prayers for me, my financial position is improving.

PROGRAMS

THE HEALING MINISTRY

The Lord blesses this work with many remarkable healings of body, mind and spirit. At Faith Center and in institutions around the city we pray with the sick and give counsel to those who are oppressed. Through our prayer fellowship, the Circle of Power, we reach out with the healing love of Jesus Christ to people all over the world.

THE CLOWN MINISTRY

Our ministers and volunteers become clowns for Christ, bring love, laughter and toys to children who are terminally and seriously ill. Volunteers are welcome in many capacities, and we invite you to call Faith Center.

THE PRISON MINISTRY

Our work focuses on the importance of each person undergoing a profound personal change, by receiving Christ, so that, upon release, he or she does not simply return to a self-destructive lifestyle. Our current programs include counseling in Georgia's death row

ANIMAL ACTION

When God gave mankind dominion over the earth and its creatures He did not have in mind the abuse and abandonment of His creatures, nor their torture in scientific experiments. Nevertheless these things happen on a vast scale. We, therefore, give a very high priority to working against such abuse wherever we can

NEWSBRIEFS

THE CLOWN MINISTRY

Dear Lilac and Daffyfil,

Thank you for coming to Egleston to see our kids on Easter. I really think you bring a lot of happiness to our kids and I appreciate you.

Pat, the Playlady.

Atlanta: Several children at area hospitals have taken to assisting Daffydil and Lilac (alias Revs. Nathania Gartman and Grace Michaels) in their visits. At Egleston, Tamika, a 12 year old, leads the clowns to children confined to their rooms, and at Grady, William, a 10 year old with a blood disorder, clowns himself. Borrowing one of the hand puppets, he has the other children in stitches! The nurses, seeing the healing and therapeutic effects of the visits, wait for the clowns to bring them to the most withdrawn and depressed children. Meanwhile, Bobby, a 17 year old (see April Newsletter), continues to improve through the Lord's healing. Praise Him.

Birmingham: Revs. Grace Michaels' and Matthew Gartenlaub's visit to Children's Hospital was a great success with the nurses particularly keen to bring them to the most critical children in the Intensive Care Unit. Next time they want to introduce the clowns to the children in the Burn Unit.

NEWS FROM GHANA

Our special prayers are needed, as the following quotes illustrate.

"The hardship we are facing is indescribable. Food is so expensive that we are almost starving with most food farms burnt by a spate of bush fires throughout the country." (Rose Bofah, Sunyani)

"Ghana has been hit by a severe drought, which geologists describe as the most severe in 20 years." (Rev. Sammy Nenyewode, Kumasi)

"People don't know what to do, but if I think of it from a biblical point of view these events are some of the prophecies in the Bible." (Mary Yeboah, Kumasi-Kwadaso)

Sister Grace Asare-Djan (laying on hands) and Philip Twum (behind Grace), leading members of the Circle of Power prayer fellowship in Sunyani, Ghana, lead nurses in prayers for the sick. This lady who was hospitalized for a long stay left hospital three days after these prayers. Praise God.

ANIMAL ACTION

Marching on Yerkes. L to r: Rev. Nathania Gartman, Rev. Abigail Johns and Rev. Raphael de Peyer.

World Day For Laboratory Animals: Rallies all over the world, sponsored by Mobilization for Animals, a coalition of hundreds of animal rights groups, marked this special day to protest the cruel and wasteful treatment of animals in the name of research. In Atlanta the largest rally ever in the southeast marched on Yerkes Regional Primate Research Center. The rally was a media triumph, being the top story on most evening TV newscasts, front page of the local paper, and an extensive dispatch by Associated Press, thereby getting this vital information to everyone in the Atlanta area. Praise God for the tireless efforts of everyone who made it such a success.

Aide Robert Kellar (l) and Disciple Margery Cunningham (r) did much to help publicize World Day for Laboratory Animals, and were rally marshals for the march.

Pet Therapy: Rev. Abigail Johns and Hans Mendenhall (recently returned from Chicago to complete his training for the ministry) continue their healing visits to the elderly at Nursecare, a nursing home near Faith Center. Praise the Lord for the love He channels through His animals.

Valentine, the black bunny of the family, came to use after he was thrown out of a pet store by the owner, having leaped out of the store window and into a fish tank, where he proceeded to swim around! Could he be the one that chased Jimmy Carter!?

DID YOU KNOW?

The value of Israel's Dead Sea has been estimated at $1,267,000,000,000,000! Such are the value of its mineral deposits. Could this be a reason for Russia or her proxies to invade, as many think Ezekiel 38:15-16 refers to?
